

Improving Experience.

RIGASAFE

store

Increased levels of sanitization are here to stay. A methodology specifically for hospitality enabling Restaurants and Hotels to stay open and safe.

rigabrands.com

Communication

To create confidence, this needs to be communicated through signage, products and processes carried out on site. RIGA can provide this pull up signage for entrances.

Sanitisation

Good quality certified hand sanitizer available from clearly labelled dispensers at entrances and exits and at other key areas – eg. outside washrooms.

Products available

Penguin foot operated dispenser

Penguin wall mounted dispenser
